Two Es

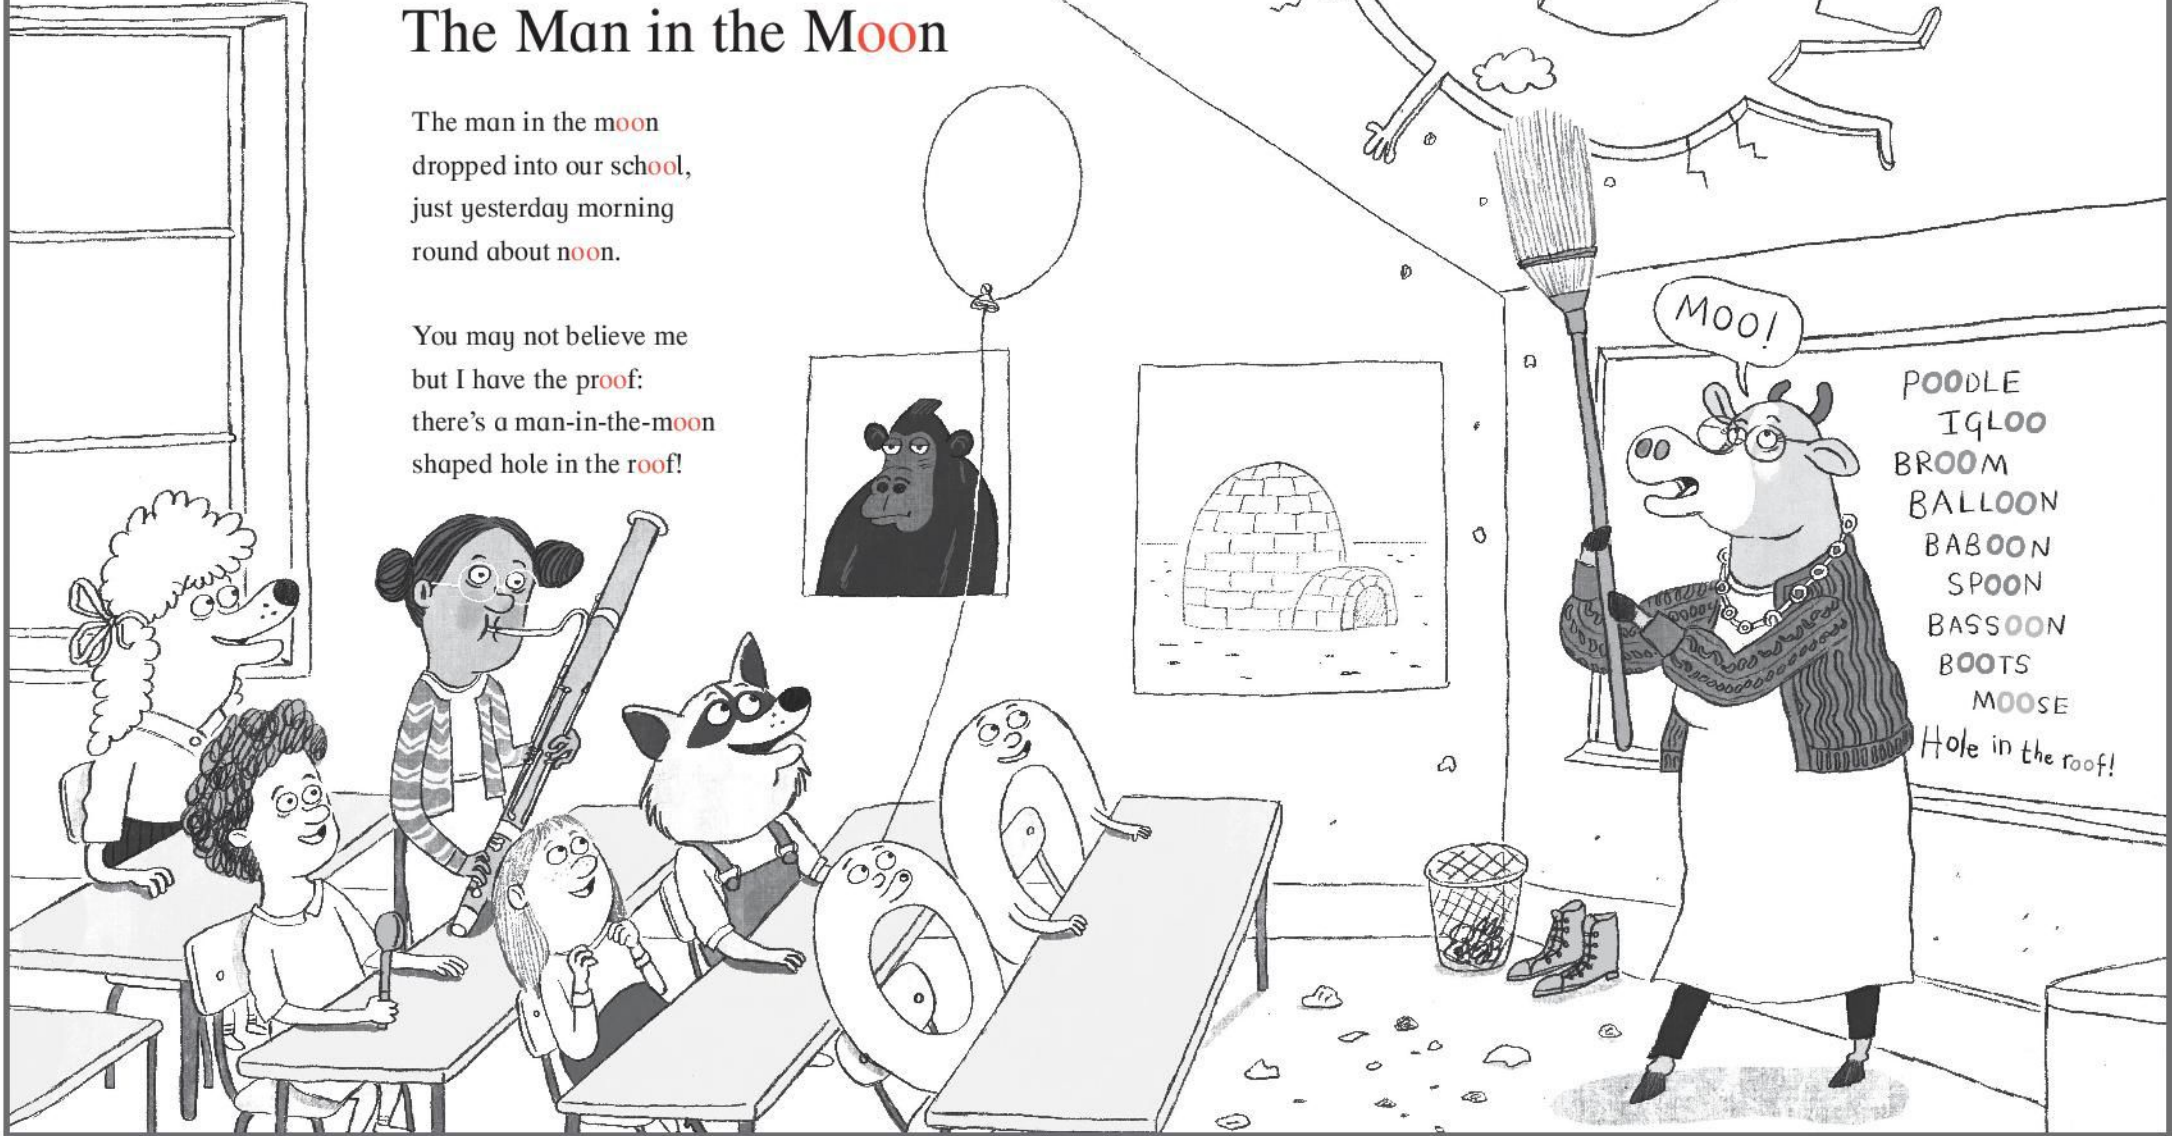

Use your two eyes
to see with two Es.
Do you see the cheetah
there in the trees?
Do you see his teeth,
sharp as can be?
See with two Es
how fast you can flee!

The Man in the Moon

The man in the moon
dropped into our school,
just yesterday morning
round about noon.

You may not believe me
but I have the proof:
there's a man-in-the-moon
shaped hole in the roof!
