

# Ways to Use These Coloring Kindness Notecards:

1. Print out the sheets on cardstock or thick paper.
2. Color in the kindness notecards.
3. You can choose to use page 2 and color in the whole thing. You can use page 3 and color in the words but draw in your own picture. You can use page 4 and color in the images and write your own message. Or you use the blank cards on page 5 and write and draw your own messages.
4. Cut the cards apart.
5. You can write your name on the back of the cards or keep it anonymous.
6. Drop off the cards to neighbors or friends on their doorsteps or in mailboxes and know that you are brightening their day and spreading kindness!
