

FORT BUILDING

THINGS WE NEED:

2/3 BEDSHEETS OR LIGHT MATERIAL
STRING
RUG OR BLANKET
CUSHIONS (FROM THE SOFA)
CLAMP PEGS OR WASHING LINE PEGS
TORCH
CHAIRS
FAIRY LIGHTS
GLOW STICKS

HOW TO BUILD A FORT

- › FIND AS MANY POINTS IN THE ROOM THAT YOU COULD TIE STRING TO, INCLUDING DOOR HANDLES, HINGES, DOOR TOPS, HEAVY FURNITURE, RAILS AND BANISTERS.
- › MOVE ANY FURNITURE TO CREATE TUNNELS, MINI ROOMS AND CUBBY-HOLES FOR THE FLOOR SPACE.
- › START TYING THE STRING TO YOUR ANCHOR POINTS (E.G. DOOR HANDLE TO BANISTER.
- › FAIRY LIGHT SHOULD GO UP BEFORE YOU ADD THE BEDSHEETS.
- › HANG THE BEDSHEETS OVER THE HIGHEST STRING LINE.
- › CLAMP ON THE PEGS TO HOLD IT IN PLACE.
- › ADD MORE SHEETS OVER BACKS OF CHAIRS, TO EXTEND THE FORTRESS.
- › NEXT PUT IN THE RUGS AND BLANKETS ON THE GROUND & BIG SQUISHY CUSHIONS TO SIT ON
- › TURN OUT THE LIGHTS AND USE THE TORCH AND FAIRY LIGHTS TO EXPLORE YOUR DEN!
