

# SNORKEL SCRAMBLE

**FELICITY**  
Hello, I was Lady Vivian's snorkel guide. She asked me to help you look for her missing jewels. Are you ready to go?

**AMELIA**  
Thanks! I just need to fetch my mask, fins and snorkel. I'll meet you at the kayak when I find them.

START  
HERE!

Help Amelia find her mask, fins and snorkel and make it to the kayak to go snorkelling.

HIDDEN GEM

Traditional houses in the Maldives were once built of coral. This has now been banned, as coral reefs are protected habitats.
